

# Rechargeable Metal Desk Fan with 3-Speed Settings

This rechargeable metal desk fan features a DC motor and offers three-speed settings. It can run for 3.5 hours at the highest speed or 10 hours at the lowest speed on a full charge.

## Overview

### Portable Cooling Solution

This rechargeable metal desk fan combines durability with portability, making it an ideal cooling solution for offices, workspaces, or home environments. Featuring a robust 30W DC motor, it offers three distinct speed settings to customize airflow intensity. Its versatile battery operation ensures reliable performance even without a direct power source, providing up to 10 hours of cooling on the lowest setting.

## Performance

### Battery Runtime

**3.5 Hours**

High Speed

**10 Hours**

Low Speed

Motor Power 30 W

Speed Settings 3

## Technical Specifications

Battery Capacity 2000 mAh

Input Voltage 24 V

## Dimensions & Logistics

Dimensions 460 x 220 x 390 mm

40HQ Container Quantity 1655

## Features

### Key Features

- Rechargeable operation
- Durable metal construction
- 3-speed adjustable airflow
- Portable design
