

Rechargeable Multifunction Emergency Lantern with Siren and Radio

This rechargeable multifunction lantern features a fluorescent tube light, spotlight, alarm siren, and digital clock. It operates on AC/DC power and includes a charging indicator.

Product Overview

Versatile Emergency Multi-Tool

This rechargeable multifunction lantern is a comprehensive solution for emergency preparedness and site lighting. It integrates high-output fluorescent illumination with a spotlight, built-in AM/FM radio, alarm siren, and digital clock. Designed for reliability, the unit supports both AC/DC power sources and offers automatic light-up functionality during power failures.
