

Rechargeable Portable Fluorescent Lantern

This portable lantern provides illumination through dual 6W fluorescent tubes. It can be wall-mounted and automatically lights up when there is a power failure.

Product Overview

Versatile Portable Lighting

This rechargeable portable fluorescent lantern is designed to provide reliable illumination for both indoor and outdoor environments. It features a robust design capable of wall mounting, making it suitable for stationary task lighting. The unit is equipped with automatic light-up functionality, ensuring safety and visibility immediately during power failure events.
