

Rechargeable Portable Lantern with AM/FM Radio and Cassette Player

This rechargeable lantern includes dual 8W fluorescent tubes, a torch, blinker, siren, and an AM/FM radio with a cassette player. It automatically illuminates during power failures.

Product Overview

Versatile Multi-Functional Lantern

This portable rechargeable lantern offers a comprehensive solution for emergency lighting and mobile entertainment. Combining a powerful fluorescent light source with integrated AM/FM radio and cassette player functionality, it is designed for reliability during power outages. Featuring an automatic light-up function and a convenient carrying handle, it serves as an essential tool for both indoor emergency preparedness and outdoor use.
