

Reciprocating Saw Blade Set, 15 Pieces

This 15-piece set of reciprocating saw blades is designed for versatile cutting applications. It includes bimetal blades for metal cutting and high carbon steel (HCS) blades for wood and pruning, with varying tooth pitches and lengths.

Product Overview

Versatile 15-Piece Reciprocating Saw Blade Set

This comprehensive 15-piece reciprocating saw blade set is engineered for professional-grade performance across a wide range of cutting applications. Featuring a mix of Bi-Metal (BIM) blades for metal and wood-with-nails, and High Carbon Steel (HCS) blades for clean wood cutting and pruning, this set provides the right tool for every job. The variety of tooth pitches (TPI) and blade lengths ensures optimized cutting efficiency and durability for construction, demolition, and landscaping tasks.

Core Specifications

Total Pieces

15 pcs

Total Components

Blade Materials

BIM (Bi-Metal), HCS (High Carbon Steel)

Blade Inventory

Blade Set Details

Quantity	Size & TPI	Material	Application
2 pcs	6" x 18TPI	BIM	Metal Cutting
2 pcs	6" x 14TPI	BIM	Metal Cutting
2 pcs	6" x 10TPI	BIM	Metal Cutting / Wood with Nails
2 pcs	6" x 6TPI	BIM	Wood Cutting
2 pcs	6" x 10TPI	BIM	Wood Cutting
2 pcs	9" x 6TPI	HCS	Wood Cutting / Wood with Nails
2 pcs	9" x 5TPI	HCS	Pruning

Applications

Primary Applications

- Metal Cutting
- Wood Cutting
- Wood with Nails
- Pruning

Packaging & Storage

Retail Packaging

Double Blister

Storage Included

Transparent Plastic Storage Tube / Box
