

Refillable Butane Lighter with Seahorse Grip

This is a refillable butane lighter. It features a transparent body and a decorative blue seahorse grip.

Product Overview

Refillable Butane Lighter with Seahorse Grip

This refillable butane lighter combines functional utility with a distinct aesthetic design. Featuring a transparent body, it allows users to easily monitor fuel levels, while the decorative blue seahorse grip adds a unique visual appeal. Built with a durable metal ignition mechanism, this item serves as both a reliable tool and an eye-catching accessory.
