

Refillable Butane Torch Lighter with Grape Design

This is a refillable butane torch lighter. It features a transparent body and a grape design.

Product Overview

Refillable Butane Torch Lighter

This refillable butane torch lighter combines functionality with a distinct aesthetic, featuring a vibrant grape-themed design. The transparent body allows for easy fuel level monitoring, while the metallic top ensures durability during regular use. Ideal for both practical applications and as a novelty gift item, this lighter offers a reliable flame in a compact form factor.
