

Residential Ceiling Fan with Light

This ceiling fan is designed for residential or small commercial spaces. It features five white blades and a central light fixture.

Product Overview

Residential Ceiling Fan with Light

This compact ceiling fan is designed to provide efficient air circulation and illumination for residential or small commercial spaces. Featuring a sleek chrome-finished motor housing and five white blades, it combines functionality with a clean aesthetic. It serves as a dual-purpose fixture, acting as both an electrical fan and an exhaust solution.
