

# Residential Ceiling Fan with Three Blades

This ceiling fan is designed for efficient air circulation in residential and commercial spaces. It features three aerodynamically optimized blades for enhanced airflow and quiet operation.

## Product Overview

### Designed for Performance and Style

The UR-103 ceiling fan is engineered for high-efficiency air circulation in both residential and commercial environments. Its three aerodynamically optimized blades ensure superior airflow while maintaining exceptionally quiet operation. Built with durable materials and a clean white finish, this fan provides a long-lasting, elegant solution for various interior spaces.

## Technical Specifications

Number of Blades	3
Color Finish	White
Motor Type	Energy-efficient
Installation	Standard downrod, Adjustable height, Easy installation

## Design Elements

### Suitable Environments

- Residential living areas
- Commercial offices
- Indoor spaces

Housing Details	Decorative metallic finish center
