

Retro Style 50cc Gas Scooter

This gas scooter features a smooth shape and retro design elements. Chrome strips decorate the scooter's body, enhancing its classic aesthetic.

Product Overview

Retro Style 50cc Gas Scooter

This scooter blends classic retro design elements with modern functionality, featuring a smooth, stable body accented by elegant chrome strips. It is equipped with high-brightness, low-power LED lighting and a stylish vintage-inspired dashboard for high visibility and aesthetic appeal. Designed for both comfort and safety, it includes a high-level air intake system and a high-performance CBS linkage brake system for reliable urban commuting.
