

Retro Style Decorative Ceiling Fan with Lighting

This retro style ceiling fan is designed for restaurants, bars, and home dining areas. The bronze body features six lights for enhanced illumination.

Product Overview

Vintage Aesthetic and Functionality

This retro-style decorative ceiling fan seamlessly blends period-accurate design with modern climate control. Featuring a sophisticated bronze-finished body and five elegant wooden blades, it serves as a functional centerpiece for hospitality and residential environments alike. The integrated six-lamp lighting fixture provides prosperous and refined illumination, making it an ideal choice for restaurants, bars, and conference rooms.
