

Retro Style Kitchen Blender

This retro-style blender combines classic aesthetics with modern functionality. Featuring a durable construction and a powerful motor, it effortlessly blends fruits, vegetables, and ice for smoothies, shakes, and more.

Product Overview

Retro Aesthetic Meets Modern Performance

This retro-style kitchen blender combines a timeless, vintage design with a powerful 300W pure copper motor, reaching speeds of up to 23000 rpm. It offers professional-grade blending, smoothie preparation, and ice crushing capabilities for any commercial or home kitchen. With integrated safety features like thermal overheat protection and a mechanical safety interlock, it ensures reliability and ease of use in every operation.
