

# Robotic Vacuum Cleaner with Gyro Navigation

This robotic vacuum cleaner features auto-recharge and gyro navigation. It is designed specifically for hard floor cleaning.

## ADDITIONAL IMAGES

## Product Overview

### Efficient Automated Cleaning

This robotic vacuum cleaner is designed to streamline your floor maintenance with its intelligent gyro navigation system. Featuring powerful suction and specialized cleaning modes, it effectively handles dust and debris on various floor types, including carpets and hard floors. With advanced sensors for obstacle avoidance and automatic self-recharging, this device provides a seamless and autonomous cleaning experience.

## Cleaning Performance

Powerful 800Pa suction for efficient dust removal.

Versatile control with 4 distinct cleaning modes.

### Suction Power

**800 Pa**

Suction Power

### Cleaning Modes

- Auto Cleaning
- Spot Cleaning
- Along Wall Cleaning
- Advanced Cleaning Path Mode

## Navigation & Safety

**Dual Anti-Collision Systems**  
Intelligent anti-collision system avoids Fmart bump into your beloved furniture

Dual anti-collision system prevents bumping into furniture.

**Six Anti-Drop Systems**  
Multiple sets of anti-drop sensors prevent Fmart falling down the stairs

Six-part anti-drop system ensures safe operation near stairs.

**Navigation Technology**

Gyro Navigation

**Safety Systems**

Dual Anti-Collision System, Six Anti-Drop Sensors

## Convenience & Design

Large wheels roll over carpets and climb over door ledges

Large wheels designed for easy transitions over carpets and ledges.

**Automatic Self-recharging**

When battery power gets low, it automatically returns to its home dock to recharge all by itself.

Automatic self-recharging when battery is low.

### Automation

- Auto-recharge
- Automatic return to docking station

**Mobility**

Large wheels for carpet and door ledge traversal

## In the Box

### Packing List

Full package including main unit, dock, remote, and accessories.

### Included Components

#### Component

Main machine

Charging dock

Remote control

User manual

Dust box

Adapter

Side brush

Cleaning brush

HEPA filter
