Product Overview

Intelligent Robotic Cleaning

This versatile robotic vacuum cleaner offers four distinct cleaning functions, including sweeping, vacuuming, dry mopping, and UV sterilization. Designed to handle various floor types such as hardwood, tile, and low-pile carpets, it operates quietly at under 50 dB. The unit features intelligent sensor technology for obstacle avoidance, automatic recharging, and scheduling capabilities for up to seven sessions per week.

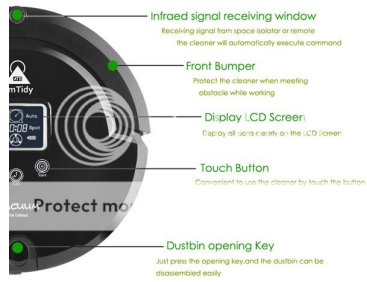

Technical Specifications

Compact 8.7cm height profile allows for cleaning under furniture.

Power Consumption	31 W
Battery Capacity	2200 mAh
Operating Time	90 - 130 minutes
Charging Time	4 hrs
Dust Bin Capacity	0.35 L
Unit Dimensions	32cm (Diameter) x 8.7cm (Height)
Noise Level	50 dB

Cleaning Performance

Features intuitive touch controls and an LCD display for easy operation.

Cleaning Modes

- Spiral
