

Round Outdoor Cage Light

This round outdoor light fixture features a protective cage. It is designed for wall or ceiling mounting, providing ambient lighting for outdoor spaces.

Product Overview

Durable Outdoor Illumination

This round outdoor cage light is engineered for durability and reliable performance in exterior environments. Featuring a robust metallic frame with a protective grid cage, it ensures the light source is shielded while providing a classic, industrial aesthetic. The frosted diffuser creates a soft, warm, and even light distribution, making it an ideal choice for wall or ceiling mounting in residential or commercial outdoor spaces.
