

Round Recessed LED Panel Light

This round LED panel light is designed for recessed ceiling installation. It features a diffused light output and spring clips for secure mounting in residential and commercial spaces.

Product Overview

Professional Round Recessed LED Panel

This round LED panel light is engineered for seamless recessed ceiling installation, offering a clean, modern aesthetic for any interior. Featuring a durable white frame and advanced diffusion technology, it delivers consistent, even illumination that reduces glare and eliminates hotspots. Equipped with reliable spring clips, the fixture ensures quick and secure mounting, making it an ideal choice for both residential and commercial lighting projects.
