

# RV Electrical Connection Hatch

The RV electrical connection hatch provides a secure and weatherproof access point for connecting electrical services to recreational vehicles. Constructed from durable, UV-resistant materials, it ensures long-lasting performance in outdoor environments.

## Product Overview

### Professional RV Electrical Access

The RV Electrical Connection Hatch provides a secure and weatherproof access point for essential power services. Designed for durability, this unit features impact and UV-resistant plastic construction to ensure reliable performance against outdoor elements. Its clean aesthetic and simple installation process make it an ideal choice for professional-grade exterior integration.

## Technical Specifications

Material	UV and impact-resistant plastic
Overall Size	4.3" x 2.3"
Cut-out Dimension	2.88 inch

## Design and Compatibility

### Core Benefits

- Weatherproof sealing
- UV resistant finish
- Impact resistant construction
- Secure hinged cover with latching mechanism

Available Colors	Black, White
