

Sawdust Wood Pellet Production Line

This production line efficiently converts sawdust into wood pellets. It includes a wood crusher, dryer, pellet mill, and packing machine.

Product Overview

Complete Pellet Production Solution

This comprehensive production line is engineered for the efficient conversion of sawdust into high-quality wood pellets. The system integrates essential processing stages, including crushing, drying, conveying, milling, cooling, screening, and automated packing. Designed for continuous operation, this production line offers a compact footprint, low energy consumption, and high efficiency, making it an ideal solution for industrial pellet manufacturing.

Technical Specifications

Included Equipment

Component
Wood Crusher
Dryer
Conveying Equipment
Pellet Mill
Hoisting Machine
Cooling and Screening Device
Dust Filter Machine
Packing Machine

Operating Personnel	6 workers
Control Method	Electrical cabinet with working condition display

Key Features

Operational Benefits

- Compact structure design
- Minimized floor space requirements
- Low energy consumption
- High processing efficiency
- Successive and rational technological process

PACKING AND DELIVERY

When the container arrive our factory, our shipping operator and delivering equipment will be ready on time to ensure goods shipped based on Sales Order requirement.

For Poultry Feeds Machines for Animal Feeds Manufacturing: Bracket, tray and fully sheathed case act as the main packaging containers for storage equipment shipped in 20ft or 40ft containers. Bracket and pallet are as the packaging container for side panels, reinforcing rib and vane. Goods like trestle stand, roof are packed with simple steel power (similar to bundle packaging), directly shippable. Construction materials such as bolts, welding rod are containerized with closed wooden box.

Standard export packaging ensures safe transit and efficient loading into 20ft or 40ft containers.

Available Shipping Ports

- Guangzhou
- Qingdao
- Shanghai

Transport Modes

Ocean • Land

Quality Certifications

ISO 9001, CE

Packaging Standard

Standard Export Wooden Case
