

Screwdriver Set with Transparent Blue Handles

This set contains six screwdrivers with transparent blue handles. It includes various sizes of flathead screwdrivers, suitable for a range of fastening tasks.

Product Overview

Professional Fastening Solution

This versatile screwdriver set is engineered for durability and precision, featuring a collection of popular sizes to meet a wide range of fastening needs. Constructed with premium Chrome-vanadium steel shanks and hardened tips, these tools are designed to resist corrosion and withstand rigorous use. The ergonomic PVC handles provide a comfortable grip, while the strong magnetic tips ensure screws are held securely during operation.
