Product Overview

Professional Concrete Drill Bit Set

This 4-piece SDS concrete drill bit set is engineered for high-performance drilling in demanding masonry applications. Designed for compatibility with SDS rotary hammer drills, these bits provide efficient material removal and durability when working with concrete, granite, and similar hard materials. The set includes a versatile range of diameters to cover common installation and construction needs.

Technical Specifications

Suitable Materials

Concrete • Granite • Masonry

Included Diameters	5mm, 6mm, 8mm, 10mm
Total Length	110 mm
Compatibility	SDS Rotary Hammer Drills
Pieces in Set	4
Model Identifier	VT-55134
