

Self-Locking Measuring Tape, 8m x 25mm

This measuring tape features a self-locking mechanism to hold the tape in place for precise measurements. With an 8-meter length and 25mm width, it offers ample reach and clear visibility.

Overview

Professional Measuring Solution

This heavy-duty self-locking measuring tape is engineered for durability and precision in demanding environments. Featuring a robust rubberized casing, it offers superior impact resistance and a comfortable grip for all-day use. The integrated self-locking mechanism ensures the blade stays extended securely, allowing for accurate, single-handed measurements.

Technical Specifications
