

Shaving Brush Set with Assorted Handles

This set includes three shaving brushes, each with a unique handle design. The brush heads feature soft, dense bristles designed to create a rich lather.

Product Overview

Premium Shaving Experience

This versatile shaving brush set features three distinct designs, each engineered to provide a superior grooming experience. The dense, soft bristles are specifically crafted to produce a rich and thick lather, ensuring a smooth shave every time. With a selection of ergonomic handle materials including wood and light-colored alternatives, this set offers both aesthetic elegance and functional comfort for any professional barber or retail inventory.
