

Shaving Brush Set with Wood and Bone Handles

This set includes shaving brushes with different handle designs. The brushes feature dense bristles designed to create a rich lather for shaving.

Product Overview

Premium Artisan Shaving Brush Set

This exquisite shaving brush set is designed for the professional-grade grooming experience. Featuring a trio of brushes, each piece utilizes a unique combination of high-quality wood and bone for a sophisticated, ergonomic handle design. These brushes are engineered with dense bristles that provide exceptional lathering performance for either shaving cream or soap, ensuring a smooth and comfortable shave every time.
