

Silicon Carbide Waterproof Abrasive Paper

Waterproof abrasive paper uses silicon carbide as the abrasive material. It is designed for fine grit sanding and finishing tasks.

Product Overview

Silicon Carbide Waterproof Abrasive Paper

This high-quality waterproof abrasive paper features a durable silicon carbide coating on a robust 120-gram kraft paper backing. Designed for versatility, it is suitable for a wide range of applications including building, automotive, and wood product finishing. Its water-resistant properties ensure consistent performance in both wet and dry sanding tasks.

Physical Properties

Color

Yellow

Backing Material

Kraft Paper

Paper Weight

120 grams

Abrasive Material

Silicon Carbide

Technical Specifications

Available Grit Sizes

60#, 1200#, 2000#

Packaging Quantity

1000 sheets/box

Applications

Primary Applications

- Building Construction
- Automotive Finishing
- Woodworking
- Electrical Machinery Processing
- Decoration
