

Silver Frame Lowrider Bicycle

This classic lowrider bicycle is designed for cruising. It features high-rise handlebars, intricate spoke patterns, and a comfortable banana seat.

Overview

Classic Lowrider Design

This classic lowrider bicycle features a distinct silver frame designed for cruising with style and comfort. It incorporates iconic elements such as high-rise handlebars, a comfortable banana seat, and stylish white wall tires. The intricate spoke patterns on the wheels and the included chain guard make it an eye-catching choice for casual riding.
