

Silver Step-Through Electric Scooter with Storage

This electric scooter features a step-through frame for easy access and a rear-mounted storage box. It is designed for urban transportation and short commutes.

Product Overview

Urban Mobility Solution

This silver electric scooter features a practical step-through frame design, making it an ideal choice for efficient urban transportation and short-distance travel. Equipped with a rear-mounted storage box, it provides convenient utility for daily commuting and errands. The modern aesthetic is complemented by vibrant red decorative accents and a sleek silver finish.
