Overview

Compact Performance

This single burner gas stove is engineered for efficiency and reliability in compact kitchen environments. Featuring a durable stainless steel construction, it provides a sleek, modern aesthetic while ensuring long-lasting performance and easy maintenance. With precise flame control and a robust cast iron base, it serves as an excellent primary or supplementary cooking solution for small apartments and limited counter spaces.

Technical Specifications

Model Number	JZY/T/R-T1109
Dimensions	300 x 395 x 110 mm
Base Material	Cast iron
Ignition Type	Piezoelectric

Performance Metrics

Rated Heat Input

3.8 kW NG	3.8 kW LPG	3.8 kW AG
---------------------	----------------------	---------------------

Energy Efficiency Level

Level 2

Thermal Efficiency	62 %
