

Single-Handle Bidet Faucet with Aerated Stream

This single-handle bidet faucet features a sleek chrome finish and modern design. The faucet includes a single lever handle for easy temperature and flow control and an aerator that provides a non-splashing stream.

Product Overview

Sophisticated Design and Reliable Performance

This single-handle bidet faucet combines a sleek chrome finish with a modern, minimalist aesthetic. Engineered for both residential and commercial applications, it features a durable build designed for longevity. The integrated aerator ensures a steady, non-splashing stream, while the single-lever handle provides precise control over water flow and temperature.
