Product Overview

Smart Connectivity for Home and Office

This smart WiFi power strip offers advanced control through integrated app support, compatible with Amazon Alexa and Google Assistant for seamless smart home automation. Designed with safety in mind, it includes surge, overload, and over-current protection, as well as child-safe shutters. It provides flexible power distribution with individual WiFi-controlled sockets and dedicated USB ports for modern device charging.

Technical Specifications

Key Performance Metrics

3680 W
Max Power

16 A
Rated Current

6 kV
Surge Protection Uoc

Electrical Characteristics

Feature	Specification
Voltage	230V~
Frequency	50Hz
Protection Level	IP20
Cable Size	3G x 1.5mm ²
Cable Length	1.5m

Connectivity & Compatibility

Smart Features	WiFi 2.4GHz, Alexa Compatible, Google Assistant Compatible, App Control
Supported Applications	Smart Life / Tuya Smart

Output Configuration

Outlet Composition

- 3x Individually controlled AC outlets
- 1x Always-on AC outlet
- 1x Type-C USB port
- 2x Type-A USB ports

Safety & Protection

Integrated Safety Protections

- Overload protection
- Over-current protection
- Surge protection (Type 3)
- Child-resistant shutters
