

# Sodium Bromide NaBr Industrial Grade

Industrial grade Sodium Bromide (NaBr) is packaged in 25 kg bags. It is suitable for various industrial applications requiring high purity and consistent quality.

## Product Overview

### Industrial Grade Sodium Bromide

This industrial grade Sodium Bromide (NaBr) is a high-purity chemical compound designed for demanding industrial applications. Engineered to provide consistent performance, this product meets professional standards for chemical reliability and quality. It is packaged for convenient handling and efficient logistics in bulk industrial settings.

## Logistics and Packaging

Net Weight	25 KG
Gross Weight	25.1 KG

## Compliance and Origin

Manufacturing Origin	China
Certification Tags	Industrial Grade, High Purity
