

Spherical Scale Pendant Lamp

This modern pendant lamp features a spherical design composed of overlapping, scale-like elements. The lamp provides diffused illumination, creating a soft and ambient lighting effect.

Product Overview

Contemporary Spherical Design

This modern pendant lamp features a striking spherical silhouette composed of overlapping, scale-like elements. The unique texture diffuses light to create a soft, ambient glow, making it a sophisticated addition to any interior. Designed for both residential and hospitality settings, it serves as a stylish focal point for hotels, living rooms, and bedrooms.
