Product Overview

Energy-Efficient Lighting Solution

This spiral tube compact fluorescent lamp (CFL) is designed to provide bright and long-lasting illumination for various environments. Engineered for efficiency, the lamp consumes significantly less energy than traditional incandescent bulbs, making it an ideal choice for both residential and commercial lighting applications. Its standard base design ensures seamless installation and easy replacement in existing fixtures.

Technical Specifications

Lamp Technology	Compact Fluorescent Lamp (CFL)
Design Shape	Spiral Tube
Installation	Standard Base

Features

Key Benefits

- High energy efficiency
- Long operational life
- Bright illumination output
- Easy installation

Recommended Applications	Residential, Commercial, General Lighting
