

Square Matte Coffee Color Iron Door Handle Set

This door handle set features a square design with a matte coffee color finish. Constructed from iron, the handle offers a comfortable grip and a modern aesthetic.

Product Overview

Modern Antique Aesthetic

This square matte coffee color iron door handle set combines a modern geometric design with an antique brass-style finish. Engineered for durability, it features a robust construction of an iron plate paired with an aluminum handle. It is a versatile hardware solution suitable for a wide range of interior wooden and metal doors.
