

Square Ventilation Exhaust Fan

This square exhaust fan is designed for ventilation purposes. It features a white plastic exterior with a grille pattern on the front for air intake and a black cylindrical duct connector on the top for exhaust.

Overview

Efficient Ventilation Solution

This square-shaped exhaust fan is engineered for effective air circulation in residential or commercial settings. Featuring a clean white exterior with an integrated grille design, it ensures optimal airflow while maintaining a subtle aesthetic. It is specifically designed for versatile installation, making it an ideal choice for bathroom or kitchen ventilation needs.

Physical Attributes

Design Shape	Square
Material & Finish	White plastic

Technical Specifications

Air Intake	Front grille pattern
Duct Connection	Top-mounted cylindrical connector

Application

Suitable Environments	Bathroom, Kitchen, General Ventilation
