Product Overview

Versatile Stainless Steel Wire Rope

Engineered for superior durability, this stainless steel wire rope is available in multiple grades including SS304 and SS316 to suit varying environmental needs. It features exceptional corrosion resistance and high tensile strength, making it an ideal choice for rigging, construction, and marine applications. Designed to meet international standards such as DIN and EN12385-4, it provides reliable performance across a wide range of industrial environments.

Technical Specifications

Construction Configurations

- 1X7
- 1X19
- 7X7
- 7X19
- 6X7+FC/IWS
- 6X19+FC/IWRC/IWSC
- 19X7
- 6X37+FC/IWRC
- 6X36WS+FC/IWRC

Tensile Strength Options

1570 N/mm²

Strength

1670 N/mm²

Strength

1770 N/mm²

Strength

Available Materials

AISI 304, AISI 316, AISI 304L, AISI 316L, Non-magnetic

Diameter Range

32 mm
