

# Stainless Steel AI Range Hood with Voice and Remote Control

This stainless steel range hood offers efficient kitchen ventilation with voice and remote control capabilities. The auto-clean function simplifies maintenance.

## ADDITIONAL IMAGES

## Overview

### Smart Kitchen Ventilation

This AI-powered range hood offers advanced ventilation capabilities, featuring both voice control and remote operation for a hands-free kitchen experience. Constructed from durable stainless steel, it provides a sleek, modern aesthetic suitable for contemporary kitchen environments. The integrated auto-clean function ensures simplified maintenance and consistent performance over time.

## Performance Metrics

### Suction Capacity

**19 m<sup>3</sup>/min**

Suction Capacity

|                           |        |
|---------------------------|--------|
| Wind Pressure             | 280 Pa |
| Maximum Static Pressure   | 380 Pa |
| Total Pressure Efficiency | 23 %   |

## Technical Specifications

### Energy Efficiency Class

Class A

|                    |                    |
|--------------------|--------------------|
| Model Number       | CXW-280-F1817(B)   |
| Motor Power        | 280 W              |
| Noise Level        | 70 dB(A)           |
| Dimensions (L*W*H) | 895 x 695 x 465 mm |

## Features

|                      |                               |
|----------------------|-------------------------------|
| Control Methods      | Voice Control, Remote Control |
| Maintenance Features | Auto-Clean Function           |
