

Stainless Steel Oval Muffler with Angle Rolled Tip

This is a high-performance stainless steel muffler designed for tuning exhaust systems. It features an oval body and an angle rolled tip.

Product Overview

High-Performance Muffler Design

This high-performance stainless steel muffler features a durable oval body design paired with a stylish angle-rolled tip. Engineered for reliable exhaust flow, it offers precise dimensions to ensure a proper fit for custom automotive applications. Its robust construction provides both longevity and a polished aesthetic for professional exhaust systems.

Technical Dimensions

Metric Dimensions

Component	Measurement
Inlet Diameter	58 mm
Body Size	243 x 228.6 x 127 mm
Outlet Diameter	127 x 76.2 mm

Imperial Dimensions

Component	Measurement
Inlet Diameter	2 1/4"
Body Size	12 1/2" x 9" x 5"
Outlet Diameter	5" x 3"

General Information

Part Number	NDOM005
Material	Stainless Steel
