

Stainless Steel Range Hood with LCD and Quartz Lamps

This stainless steel range hood is equipped with LCD display electronic switches and quartz lamps. It has a 150mm exhaust outlet diameter and dimensions of 600-1100mm (height) x 600mm (depth) x 900mm (width).

Product Overview

Professional Stainless Steel Range Hood

This high-performance range hood is constructed from durable 304#/430# stainless steel, designed to meet the rigorous demands of professional environments. It features an integrated LCD display with electronic switches for precise control and provides effective ventilation with an air exhaust volume of 700m³/h. Equipped with four 20W quartz lamps for optimal lighting, this unit combines robust build quality with functional, user-friendly operation.

Technical Specifications

Air Exhaust Volume

700 m³/h

Air Exhaust Volume

Motor Power	190 W
Exhaust Outlet Diameter	150 mm
Filter Mesh Quantity	2

Dimensions and Weight

Unit Dimensions

Dimension	Measurement (mm)
Width	900
Depth	600
Height (Adjustable)	1100
Gross Weight	32.5 kgs

Features

Lighting	4 x 20W Quartz Lamps
Control System	LCD display electronic switches

Material and Quality

Material Specifications	304 Stainless Steel, 430 Stainless Steel
