

Stainless Steel Wall Mount Cooker Hood

This cooker hood is made of stainless steel and designed for wall mounting. It features a multi-speed fan, integrated LED lighting, and a grease filter system.

Product Overview

Professional Kitchen Ventilation

This stainless steel wall-mount cooker hood is engineered for efficient kitchen ventilation in professional or high-demand environments. It features a robust multi-speed fan system designed to effectively remove smoke, odors, and grease particles. With integrated LED lighting and intuitive digital controls, it provides a seamless user experience while maintaining air quality.
