

Standing Garment Steamer with Adjustable Pole

This standing garment steamer features an adjustable pole and is designed for removing wrinkles from garments. It includes a water tank at the base, a steam hose, and a hanger attachment.

Product Overview

Professional Garment Care

This standing garment steamer is designed for efficient wrinkle removal on a wide variety of fabrics. Featuring a convenient adjustable pole and an integrated hanger attachment, it simplifies the steaming process for both home and commercial environments. The mobile base with wheels ensures easy maneuverability, while the intuitive control knob allows users to customize steam settings for optimal results.
