

Steel Frame Beach Cruiser Bicycle

This beach cruiser bicycle features a curved steel frame for durability. It is equipped with balloon tires, a comfortable saddle, and upright handlebars, making it suitable for recreational riding on paved surfaces.

Product Overview

Classic Steel Frame Cruiser

This beach cruiser bicycle features a durable steel frame with a signature curved design, perfect for recreational riding on paved surfaces. Engineered for comfort, it boasts an upright riding posture supported by ergonomic handlebars and a cushioned saddle. The single-speed drivetrain and integrated full fenders provide a low-maintenance and clean riding experience for leisure cyclists.
