

Steel Frame Wheelbarrow with Pneumatic Tire

This wheelbarrow is designed for landscaping and construction tasks. It features a durable steel frame, a high-capacity green tub, and a pneumatic tire for smooth maneuverability.

Overview

Heavy-Duty Utility Wheelbarrow

This robust wheelbarrow is engineered for demanding landscaping and construction environments, featuring a durable steel frame that supports frequent, heavy-duty use. Equipped with a high-capacity green tub, it is perfectly suited for transporting bulk materials like soil, mulch, and gravel across various job sites. The integrated pneumatic tire design ensures smooth maneuverability, while the ergonomically shaped handles minimize operator strain during transport.
