

Steering Rack End for KIA

This steering rack end connects the steering rack to the tie rod end, allowing the vehicle to turn. It is made from durable materials to provide reliable performance and withstand daily driving stresses.

Product Overview

Steering Rack End for KIA

This high-performance steering rack end is precision-engineered for KIA vehicles, specifically designed for part number 0K52232270. It serves as a vital link in the steering system, connecting the rack to the tie rod end to facilitate smooth vehicle turning. Built with heavy-duty materials, this component is designed to meet or exceed OEM standards, ensuring long-term reliability and precise steering alignment.

Technical Details

Engineering Features

- Precision-engineered threading
- Robust construction for high-stress endurance
- OEM-spec fitment
- Durable metallic composition
