

Step-Through Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame for easy access and comfortable riding. It includes a front basket and rear rack for carrying personal items during commutes or leisurely rides.

Product Overview

Urban Commuter Electric Bicycle

This step-through electric bicycle is engineered for convenience and ease of use in urban environments. Featuring a low-frame design, it allows for effortless mounting and dismounting, making it suitable for a wide range of riders. Equipped with both a front basket and a rear rack, this bike provides practical storage solutions for daily errands or recreational outings.
