

Step-Through Electric Bicycle with Basket

This electric bicycle is designed with a step-through frame, making it easy to get on and off. It includes a front basket for carrying groceries or personal items while riding around town.

Overview

Designed for Comfort and Utility

This step-through electric bicycle is engineered for ease of use and everyday convenience. Featuring a low-frame design, it allows for effortless mounting and dismounting, making it an ideal choice for urban commuting or casual errands. Equipped with a front basket and rear storage compartment, this bike offers practical cargo solutions for professional or personal transport.
