

Step-Through Electric Bicycle with Storage

This electric bicycle is designed with a step-through frame for easy mounting and dismounting. It includes a front basket and rear storage compartment for carrying personal items.

Product Overview

Urban Commuter Electric Bicycle

This step-through electric bicycle is engineered for efficient urban commuting and comfortable leisure riding. Featuring a convenient step-through frame design for easy mounting, it comes equipped with both a front basket and a rear storage compartment for daily transport needs. Its practical build makes it an ideal solution for city navigation and short-distance travel.
