

Step-Through Electric City Bicycle with Basket

This electric bicycle is designed with a step-through frame for convenient access. It includes a front basket for carrying personal items and offers both electric and pedal-assisted riding.

Overview

Urban Commuting Made Easy

This electric city bicycle features a convenient step-through frame design, allowing for effortless mounting and dismounting in urban environments. Equipped with a practical front basket, it is perfectly suited for daily errands, commuting, and carrying personal items. The bike offers versatile dual functionality, supporting both electric-assisted riding and traditional pedal-powered operation.
