

Step-Through Electric City Bicycle with Basket

This electric bicycle has a step-through frame for easy access. It includes a front basket and rear storage for carrying items.

Overview

Designed for Urban Convenience

This electric city bicycle features a user-friendly step-through frame design, allowing for effortless mounting and dismounting. Equipped with both a front basket and a rear storage compartment, it offers practical utility for daily commuting or errands. The bike combines modern electric propulsion with essential city cycling components for a reliable and comfortable ride on paved surfaces.
