

Step-Through Electric Scooter with Luggage Rack

This electric scooter has a step-through frame for easy mounting and dismounting. It includes integrated lights and a rear luggage rack for added utility.

Overview

Designed for Urban Utility

This step-through electric scooter is engineered for efficient urban mobility and cargo transport. Featuring a robust step-through frame for easy mounting and dismounting, it is ideal for delivery services or daily commuting. The integrated rear luggage rack provides essential utility for carrying goods, while the sleek silver finish and chrome accents offer a professional aesthetic.
