

Step-Through Frame Children's Bicycle

This children's bicycle features a step-through frame for easy access. It includes a rear rack and front fender for added convenience and utility.

Product Overview

Designed for Easy Riding

This children's bicycle features a user-friendly step-through frame, allowing for effortless mounting and dismounting during daily use. Its design prioritizes comfort and practicality, incorporating a padded seat and a rear carrier rack for added utility. Ideal for urban or recreational environments, this bike combines a classic aesthetic with functional features like a front fender for splash protection.
